### Ganesh Infraworld Secures ₹185.38 Crores Contract for Water Infrastructure Development Project

**Kolkata, March 12<sup>th</sup>, 2025** - Ganesh Infraworld Limited, a prominent player in the infrastructure and engineering sector, is delighted to announce the receipt of a ₹185.38 crores order for drinking water project in the Gwalior region, Madhya Pradesh. This project is a testament to the company's strong execution capabilities in large-scale infrastructure development.

The contract includes a wide range of civil and electromechanical works aimed at strengthening the water infrastructure network in the region. The key components of the project include excavation and structural reinforcement for water management structures, concrete works using high-grade materials to ensure long-term durability, pipeline installation spanning several kilometers, including Ductile Iron (DI) pipes, HDPE pipes, and MS pipes, construction of reservoirs and pumping stations to enhance water supply efficiency, and road restoration and related civil works to maintain infrastructure integrity.

This work order aligns with India's broader infrastructure goals, particularly in water resource management and urban development. The project will improve water accessibility and distribution in Gwalior and surrounding areas, strengthen sanitation and public health by enhancing water supply systems, and support regional development initiatives by ensuring sustainable infrastructure growth.

The project is expected to be executed within a 12-month timeline, adhering to rigorous quality and safety standards. Ganesh Infraworld has a proven track record of delivering timely and high-quality EPC (Engineering, Procurement, and Construction) projects, ensuring efficiency in execution.

Building on this momentum, Ganesh Infraworld is actively exploring new opportunities in water, sanitation, and urban infrastructure projects. With a commitment to innovation and sustainable engineering, the company aims to expand its footprint across other key regions in India.

**Commenting on this achievement, Mr. Vibhoar Agrawal, Managing Director, Ganesh Infraworld Limited, stated:** *"We are honored to receive the work order worth ₹185.38 crores, reaffirming our strong execution capabilities and market leadership in large-scale EPC projects. This significant order highlights our unwavering commitment to excellence in water infrastructure development."*
